**Addams Family Theme Song**

They're creepy and they're kooky,  
Mysterious and spooky,  
They're altogether ooky,  
The Addams Family.

Their house is a museum.  
When people come to see 'em  
They really are a screa-um.  
The Addams Family.

Neat  
Sweet  
Petite

So get a witch's shawl on.  
A broomstick you can crawl on.  
We're gonna pay a call on  
The Addams Family.

( 'Squish' bee between palms of hands)

I'm squishing up a baby bumblebee,  
Ooh! It's yucky!  
(Open up hands to look at 'mess')

**Colors of the Wind**

You think I'm an ignorant savage  
And you've been so many places  
I guess it must be so  
But still I cannot see  
If the savage one is me  
How can there be so much that you don't know?  
You don't know ...

You think you own whatever land you land on  
The Earth is just a dead thing you can claim  
But I know every rock and tree and creature  
Has a life, has a spirit, has a name

You think the only people who are people  
Are the people who look and think like you  
But if you walk the footsteps of a stranger  
You'll learn things you never knew you never knew

Have you ever heard the wolf cry to the blue corn moon  
Or asked the grinning bobcat why he grinned?  
Can you sing with all the voices of the mountains?  
Can you paint with all the colors of the wind?  
Can you paint with all the colors of the wind?

Come run the hidden pine trails of the forest  
Come taste the sunsweet berries of the Earth  
Come roll in all the riches all around you  
And for once, never wonder what they're worth

The rainstorm and the river are my brothers  
The heron and the otter are my friends  
And we are all connected to each other  
In a circle, in a hoop that never ends

How high will the sycamore grow?  
If you cut it down, then you'll never know  
And you'll never hear the wolf cry to the blue corn moon

For whether we are white or copper skinned  
We need to sing with all the voices of the mountains  
We need to paint with all the colors of the wind

You can own the Earth and still  
All you'll own is Earth until

You can paint with all the colors of the wind

**Kung Fu Fighting**

Everybody was Kung Fu Fighting  
Those kicks were fast as lightning  
In fact, it was a little bit frightening  
But they fought with expert timing

There where funky China men from funky Chinatown  
They were chopping them up  
They were chopping them down  
It's an ancient Chinese art  
And everybody knew their part  
From a faint into a slip  
And a kickin' from the hip  
Everybody was Kung Fu fighting  
Those kicks were fast as lightning  
In fact it was a little bit frightening  
But they fought with expert timing

There was funky Billie chin and little Sammy Chong  
He said, here comes the big boss, let's get it on  
We took the bow and made a stand

Started swaying with the hand  
The sudden motion made me skip  
Now we're into a brand new trip

Everybody was Kung Fu fighting  
Those kicks were fast as lightning  
In fact it was a little bit frightening  
But they did it with expert timing

keep on, keep on, keep on  
Sure enough  
Everybody was Kung Fu fighting  
Those kicks were fast as lightning  
In fact it was a little bit frightening  
Make sure you have expert timing  
Kung Fu fighting, has to be fast as lightning...

## Little Bunny Foo Foo

Little Bunny Foo Foo,  
Hopping thru the forest,  
Scooping up the field mice and boppin' 'em on the head.  
Down came the good fairy  
And she said: "Little Bunny Foo Foo, I don't want to see you  
Scooping up the field mice and boppin' 'em on the head  
I'll give you three chances, And if you don't behave I'll turn you into a goon!"  
The next day:

Little Bunny Foo Foo,

**Pharaoh, Pharaoh**

Pharaoh, Pharaoh, Oh baby  
Let my people go (uhhh)!  
Yeah, Yeah, Yeah..... (2x)

Well, the burning bush told me just the other day  
That I should come over here and say  
Got to get my people out of Pharaoh's hand  
And lead them all to the Promised Land  
I said,

(chorus)

Well, me and God's Army marchin' to the Red Sea  
And Pharaoh's army's coming after me  
So I raised my rod, stuck it in the sand  
And all God's people walked across dry land

(chorus)

Well, Pharaoh's army was coming too  
So what do you think that I did do?  
I raised my rod and I cleared my throat (hem hem)  
And all of Pharaoh's army did the dead man's float

(chorus)

**Star-Spangled Banner (National Anthem)**

Oh, say, can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watch'd, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
O say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

**Surfing U.S.A.**

If everybody had an ocean  
Across the U.S.A.

Well there's a dark and a troubled side of life.  
There's a bright and a sunny side too.  
But if you meet with the darkness and strife,  
The sunny side we also may view.

#### Chorus

Keep on the sunny side of life.  
It will help us every day, it will brighten all the way,  
If we keep on the sunny side of life.

Oh, the storm and its fury broke today,  
Crushing hopes that we cherish so dear.  
Clouds and storms will in time pass away.  
The sun again will shine bright and clear.

#### Chorus

Let us greet with a song of hope each day.  
Though the moments be cloudy or fair.  
Let us trust in our Savior always,

## Frosty The Snowman

Frosty the snowman was a jolly happy soul,  
With a corncob pipe and a button nose  
And two eyes made out of coal.

Frosty the snowman is a fairy tale, they say,  
He was made of snow but the children  
Know how he came to life one day.

There must have been some magic in that  
Old silk hat they found.

For when they placed it on his head  
He began to dance around.

O, Frosty the snowman  
Was alive as he could be,  
And the children say he could laugh  
And play just the same as you and me.

Thumpetty thump thump,  
Thumpety thump thump,  
Look at Frosty go.

Thumpetty thump thump,  
Thumpety thump thump,  
Over the hills of snow.

Frosty the snowman knew  
The sun was hot that day,  
So he said, "Let's run and  
We'll have some fun  
Now before I melt away."

Down to the village,  
With a broomstick in his hand,  
Running here and there all  
Around the square saying,  
Catch me if you can.

He led them down the streets of town  
Right to the traffic cop.

And he only paused a moment when  
He heard him holler "Stop!"

For Frosty the snow man  
Had to hurry on his way,  
But he waved goodbye saying,  
"Don't you cry,

I'll be back again some day."

Thumpetty thump thump,  
Thumpety thump thump,  
Look at Frosty go.

Thumpetty thump thump,  
Thumpety thump thump, Over the hills of snow.

## Grandma Got Run Over By A Reindeer

### Chorus

Grandma got run over by a reindeer  
Walking home from our house Christmas eve.  
You can say there's no such thing as Santa,  
But as for me and Grandpa, we believe.

She'd been drinkin' too much egg nog,  
And we'd begged her not to go.  
But she'd left her medication,  
So she stumbled out the door into the snow.

When they found her Christmas mornin',  
At the scene of the attack.  
There were hoof prints on her forehead,  
And incriminatin' Claus marks on her back.

### Chorus

Now were all so proud of Grandpa,  
He's been takin' this so well.  
See him in there watchin' football,  
Drinkin' beer and playin' cards with cousin Belle.

It's not Christmas without Grandma.  
All the family's dressed in black.  
And we just can't help but wonder:  
Should we open up her gifts or send them back?

### Chorus

Now the goose is on the table  
And the pudding made of fig.  
And a blue and silver candle,  
That would just have matched the hair in Grandma's wig.

I've warned all my friends and neighbors.  
"Better watch out for yourselves."  
They should never give a license,  
To a man who drives a sleigh and plays with elves.
